SCHOOL

Nebraska VR – *Where your future begins*

[vr.nebraska.gov](http://vr.nebraska.gov)

Participants must be determined eligible for Nebraska VR services and have employer support to take part in this unique opportunity.

You may be eligible for VR services if your goal is to maintain employment and you have a physical, mental, emotional or learning impairment that interferes with employment.

Individuals referred to Nebraska VR often report one or more of the following:

- Difficulty learning work skills or learning in the classroom
- Been involved in Special Education classes
- Problems getting along with co-workers, customers or supervisors
- Difficulty maintaining or keeping a job
- Difficulty with organization, forgetting appointments, etc.
- Seeing a counselor for therapy and/or medication
- Problems with hearing
- Problems with lifting, carrying, standing, sitting or using arms, hands or fingers
- Receives SSI or SSDI

**Please note:** Information shared with Nebraska VR can remain confidential.
