

TRAVEL TRAINING RESOURCES

ATI - Association of Travel Instruction - www.travelinstruction.org

National association focused on travel training for people with disabilities and seniors.

Easter Seals Project Action

Among its many resources, Project Action has a variety of information on travel training. These include travel training curriculums, and a variety of travel training publications. Additionally, Easter Seals regularly holds travel instructor training at various locations around the country. The Project Action travel training page with links to these resources can be found at:

Travel Training Curriculum for Staff -

<http://projectaction.easterseals.com/site/DocServer/950081.pdf?docID=18963>

Travel Training for Youth with Disabilities, NICHCY Publication -

www.nichcy.org/InformationResources/Documents/NICHCY%20PUBS/ts9.pdf

Feature Issue on Meeting Transportation Needs of Youth and Adults with Developmental Disabilities, Impact Newsletter - Institute on Community

Integration, University of MN – Contains a number of articles on travel training - www.ici.umn.edu/products/impact/183/183.pdf

Finding Travel Training

In many local areas, transportation training is available through a variety of organizations such as transit systems, transportation service providers, independent living centers, disability programs, and others. Contact these organizations in your local area to identify travel training options. An internet search using key words such as “travel training” “disability” along with your geographic region (county, city, town, etc.) may also identify local travel training resources.
